A Message from the Department Chair, Professor Suzanne Boyd

Professor Suzanne Boyd

The end of the semester is a time of high-stakes. Instructions may be looking forward to getting their grades out the door, so they can design grades, then take a well-deserved break. They may be happily planning holiday events and/or travels. The last of the term is likely a time of high-stakes, at the culmination of a busy semester. Some of you will not be finishing your class successfully despite their efforts.

This is the end of the semester, please take this moment at a time of high emotions. Instructors may be happy for the holiday party to be over and done, so they can assign grades then take a well-deserved break. They may be happily planning holiday events and/or travels. The last of the term is likely a time of high-stakes, at the culmination of a busy semester. Some of you will not be finishing your class successfully despite their efforts.

This is a great opportunity to impact neatly, every UWM student. On the whole we have developed a pretty positive reputation on campus and teaching education, I frequently get to hear success stories rooted in our actions, and our instructors and students always seem to want to learn. Everyone is advised to participate, please note that gifts should be wrapped and bring in their own dish or potluck party. The annual departmental exchange will begin at 12 noon and will continue until 2:00 pm, any unattended items will be disposed of appropriately.

Looking forward to seeing you all in 2020!

Best,
Suzanne Boyd
