December 2024

Dear Colleague,

Happy Holidays!

Our last trade show of the year is next week in Marco Island, Florida. We look forward to celebrating a fabulous year with our friends at USTOA.

In this newsletter, find the latest news on Iceland ProTravel and their Iceland ProCruises brand and their partnership with Oceanwide Expeditions, Malta, and Yadi Travel Morocco. We are awaiting our new contract if you are wondering where the Porto & the North info is!

Also, please note that our office will be closed from December 23rd and will reopen on January 2nd.

We wish you a very happy holiday season and a fabulous 2025!

Happy selling!

Jane, Ana, Jenna & Paula

MIMalta

- **New Sicily Flights:** Beginning summer 2025, Delta will launch flights to Sicily—just 60 miles from Malta! With daily 25-minute flights between the two islands, you can easily explore both Mediterranean gems in one trip.
- **Christmas Magic in Malta:** Experience mild December temperatures (15°C–19°C) and a vibrant Roman Catholic celebration filled with traditions, events, and festive activities. Valletta transforms into a winter wonderland with over 25 festive events, enchanting lights, and heartwarming traditions like the Baby Jesus procession.
- **Festive Highlights:** Enjoy Christmas concerts, nativity exhibitions, children’s workshops, and bustling shopping streets with extended hours. Don’t miss the dazzling decorations, carol-filled village streets, and traditional crib scenes adorning homes and balconies. Valletta and Sliema shine as the most festive destinations.
- **New Year’s Eve Fun:** Celebrate with locals in Valletta’s St. George’s Square, the waterfront, or Floriana’s St. Anne’s Street, featuring street parties and a spectacular midnight pyrotechnic display.

Iceland ProCruises – BIG UPDATE

- Iceland ProCruises is **setting a new course for the 2025 season and is significantly expanding its offerings** to include expedition cruises for the first time. With the expedition ships MV HONDIUS, MV PLANCIUS and MV ORTELIUS there are three ships to choose from. The same applies to all of them: the small and maneuverable ships are used to get to know the destinations intensively. The expedition cruises go to Iceland, Svalbard and Greenland. The tour operator, Island ProTravel, relies on on-board lecturers and exclusive pre-cruise programs. The ships can accommodate 108 to 170 passengers. Guests can experience the special nature by kayaking, hiking on glaciers or on Zodiac trips through the pack ice. Iceland ProCruises offers attractive early bird discounts for the 2025 program until the end of the year: Save US\$ 500 p.p. until Dec 31st, 2024!

Iceland ProTravel

A Guide to Iceland's Winter Magic

Skip the hustle and bustle of Iceland summer by visiting the big North Atlantic island this winter.

We're talking Northern Lights and icy waterfalls, hiking across glaciers and exploring ice caves, chilling out Iceland's famous hot springs. And if you happen to be north of the Arctic Circle, days when the sun never rises.

Honey, Malta is Sweeter Than You Think

From beeswax candles and mead to the amber nectar you pour on your pancakes, Malta has a heritage of honey making that stretches back more than 2,000 years.

The Mediterranean archipelago even has its own species — the Maltese honeybee (*Apis mellifera ruttneri*), which evolved after the last ice age around 10,000 years ago when the islands were separated from mainland Europe.
