Dear Tiger Families,

While we put the finishing touches on 2018 and look toward the New Year, it is time to reflect on the accomplishments of the past year. 2018 has been an amazing year for the LSU Family as we continue to grow and develop new programs to support students and families.

This month, we sat down with Mike Bunting, Director of Parent and Family Programs, and F. King Alexander, President of LSU, to learn more about their contributions to the University and our shared mission.

Check out this month’s family newsletter [...read more] to find the best fit.

As the fall semester comes to a close, it is important to think about where your family will spend the spring semester. The LSU Family Association Scholarships are available to families who are new to the Association and want to support the LSU community.

Family Association Scholarships

The LSU Family Association will be selecting the 2019-2020 scholarship recipients in the spring semester. All students of Family Association members are eligible to apply for this $1,000 scholarship.
