December Update

Keeping You in Touch

A Note from the President

As we approach the end of the year, I am grateful for all that our campus community has accomplished. From the academic success of our students to the achievements of our athletes, we have had a year filled with pride. The LSUSP Summit was a testament to the dedication of our university and the importance of collaboration.

I want to extend a special thank you to our donors and alumni who have supported our students throughout the year. Their generosity has had a profound impact on the lives of our students and the LSU community.
