Student Support Services (SSS) can help up your student's college game. Was your student confused and frustrated during their first semester? Were their grades not up to par? Did they have difficulty adjusting? Student Support Services is here to help! SSS provides academic support, career planning, and counseling services to help students succeed in their college careers.

- Academic Support: Our tutors and counselors can help your student with homework assignments, study strategies, and test-taking skills. We offer tutoring services in a variety of subjects, including math, science, writing, and more.
- Career Planning: We can help your student explore different career paths and help them develop a plan to achieve their goals. We offer career assessments, mock interviews, and resume critiques to help your student land a job after graduation.
- Counseling Services: Our counselors can help your student deal with stress, anxiety, and other emotional challenges. We offer individual counseling sessions, group therapy, and online resources to help your student navigate the challenges of college.

For more information, please visit the Student Support Services website or contact us at (225) 578-1173.
