#MikeontheMantel between December 6-31, and #MikeontheMantel:

On December 20th, you will have the chance to see our Tiger油价 and his fellow students.

During the Spring Involvement Fair, your student should visit the Involvement Fair table to meet with campus leaders and learn more about them and the incredible student clubs and organizations (more than 400 student clubs and organizations) that will forge your student's future.

Advantage of the opportunities for engagement (such as our Off-Campus Internship Program) will challenge your student's minds and nurture their talents, and to take this new opportunity as a personal challenge, to grow as an individual, and to develop their leadership skills.

While we put the finishing touches on 2018 and look toward the Spring semester, let me tell you about the new opportunities your Tiger may have. Your student may have been notified of their internship, and we encourage them to seize this opportunity. Your Tiger may not know to ask for this present, but they will love it. Help your Tiger identify what is most important when looking for a new home. Safety? Convenience? Pet friendly? Rent?

Your Tiger is the future of our nation, and it is our responsibility to provide them with the best possible experience. Your Tiger should be in a place where they feel welcome, safe, and supported.

Once your Tiger has successfully completed their exams, it's time to think about their future. The holidays are a great time to talk with your Tiger about where to live next school year.

Apartment Season is Coming:

While you are speaking with your Tiger about where to live next year, remind them to keep their options open. There are a variety of apartment options available, and each has its own set of pros and cons.

Convenience? Pet friendly? Rent? Safety? Your Tiger may not know to ask for this present, but they will love it.
