Contents of this Month's Update

information on the upcoming 2021 COE Summit, which will focus on the topic of Cyber Extremism and Violence. The seminar will feature a presentation on the SolarWinds hack, which was a significant cybersecurity breach in recent years. The event will take place on Thursday, March 25, from 10:30 a.m. to 4:30 p.m.

The paid, professional, short-term internship is structured to allow students to participate in a relevant research priority. The internship can be for completion of a specific industry need and usually covers 4-6 months. It is an excellent opportunity for sponsored students who can offer knowledge, skills, and abilities along with an eagerness to learn through these experiential opportunities.
