Last day for departments to provide complete funding information to capital planning

- Departments/units must provide complete funding information to capital planning no later than June 10 in order to:
  - Establish new FY 2021-2022 projects
  - Augment/substitute/return funds for existing projects, within FY 2021-2022
- Required approvals for new projects or augmentations must already have been received.

What You Need To Know
Friendly Reminder from IPPS!
In preparation for Fiscal Year-End Closing, please reconcile Procurement Card, Travel & Entertainment Card and CTS card charges as soon as possible. In the upcoming weeks, through the end of June, we will send reminders to individual cardholders who have outstanding expenses.

- For P-card expenses, one must reconcile them within 30 days
- For Travel and Entertainment (Events) expenses, they must be reconciled within 45 days of the business travel end date or the event date

Recommended Department Actions before June 30, 2022

- Move Transactions from Available Expenses to applicable or new Expense Reports and complete the Report Header fields
- Make sure that no OP values are selected for chart strings
- Submit Expense Reports and obtain all appropriate levels of approvals by the Ledger Cutoff Dates for Travel, Events and Non-Events expenses
- Submit Expense Reports and obtain Financial Unit approvals for P-card expenses once a month. To post to the ledger for FYE, make sure they are approved by your Financial Unit approvers before fiscal year end

IPPS AP Expense Accrual FYE 2022

1. IPPS Posting - AP expense accrual will be posted in the GL with project numbers. No posting will be done in PPM.

Change from FYE 2021

Last FY postings to the GL did not include project numbers

Reason for the Change

IPPS received campus feedback to see expense accrual at the project level in order to report their financial statements

Other Considerations

The GL/PPM discrepancy report will be updated to exclude posting with “Accrual” type journal entries.

2. IPPS Accrual Timeline - IPPS will accrue AP expenses that are entered into Oracle and Concur up to the AP June ledger cutoff date of 7/8/22.

Change from FYE 2021

Last FY IPPS accrued AP expenses up to department ledger cutoff of 7/16/21

Reason for the Change
Duplicate accruals were done because departments posted their own accruals prior to department journal posting cutoff for expenses that were already included by IPPS

**Other Considerations**

- The IPPS AP team guarantees that invoices submitted by 6/24/22 via Payment Compass will be processed in the June period. However, AP does not pause processing of invoices after 6/24/22 and they will continue to process invoices as they come in.
- It is critical for departments to check their invoices after the AP June ledger cutoff date of 7/8/22 to confirm whether a submitted invoice has been recorded in the ledger.
- As long as the invoice can be found in Oracle, IPPS will process the expense accrual if the invoice has not been posted to the ledger due to validation or approval routing.
- Departments should only process local accruals if their invoices are not in Oracle by 7/8/22.

**IPPS will accrue for expenses dated on or before June 30 including:**

- Oracle AP invoices in the system that are not validated (not accounted to GL/PPM). This does not include invoices entered in Payment Compass that are not yet keyed into Oracle.
- Oracle AP invoices in the system that are validated but pending approval (not accounted to GL/PPM). This does not include invoices entered in Payment Compass that are not yet keyed into Oracle.
- Concur expense reports with P-Card or CTS card charges that are posted in Concur but not reconciled by card holders.
- Concur cash advances that are assigned to travelers with trips that have not been completed or reconciled.

**Recommended departmental actions before FYE 2022:**

- Minimize outstanding invoices within Oracle by having Requesters and Financial Unit Approvers review/approve assigned invoices/transactions as soon as possible; work with the AP team to resolve any invoice hold issues.
- Minimize outstanding transactions within Concur by adding charges to Expense Report(s), coding, and obtaining final approval no less than on a monthly basis.
