Throughout the month of February, Grand Valley is celebrating Women in Sports. Grand Valley student-athletes in women's sports maintain a tradition of excellence in both athletics and academics, and in support of their incredible achievements, we are asking alumni to please consider giving a gift of any size to the GV Athletics Women in Sports Fund. From athletic training and travel to equipment enhancements, your gift ensures that GVSU can continue to deliver the best student-athlete experience and build champions for life. There’s no one a prospective student trusts more when choosing a college than alumni of that school. That’s why we’re asking you and 125,000+ other GVSU alumni to help identify students that would benefit from becoming Lakers.

GVSU's Be a Laker, Bring a Laker program encourages alumni, current students, parents, faculty members, and others to connect prospective students with the university and encourage them to apply for an undergraduate or graduate program.

Share your Laker pride and help ensure that the next generation of Grand Valley students continues the tradition of academic excellence by using your respected alumni status to refer prospects today. That’s the Laker Effect, and it’s easy, important, and rewarding.
