Throughout the month of February, Grand Valley is celebrating Women in Sports. Grand Valley student-athletes in women’s sports maintain a tradition of excellence in both athletics and academics, and in support of their incredible achievements, we are asking alumni to please consider giving a gift of any size to the GV Athletics Women in Sports Fund. From athletic training and travel to equipment enhancements, your gift ensures that GVSU can continue to deliver the best college experience to our student athletes. For more information, visit www.gvsu.edu/giving/GVwomensports.

There’s no one a prospective student trusts more when choosing a college than alumni of that school. That’s why we are asking you and 125,000+ other GVSU alumni to help identify students that would benefit from becoming Lakers. GVSU’s Be a Laker, Bring a Laker program encourages alumni, current students, parents, faculty members, and others to connect prospective students with the university and encourage them to apply to an undergraduate or graduate program. Where your Laker pride and your connections will be needed most are on Grand Valley’s campus, where our tradition of academic excellence continues to be driven by our respected alumni, our faculty members, and our current students. Your gift of any size to the GV Athletics Women in Sports Fund ensures that Grand Valley continues to provide a world-class education to our student athletes.
