**New Report Releases**

- **Transactions on No Project**
  - At this week’s office hours, we will discuss transactions in the General Ledger without a project segment, including which transactions are allowed to be posted without a project. The report will be demoed at this office hours. There will also be time for open Q&A.
  - The report has been released on the Department Exceptions Panorama, called Transactions on No Project. That report has been released on the Department Exceptions Panorama, called Transactions on No Project. That report will be discussed at this week’s office hours.
  - The report will be discussed at this week’s office hours. There will also be time for open Q&A.

- **Non-Sponsored Generate Invoice Process Errors**
  - These two reports to identify setup errors on their contracts. If contracts are missing any of these chartstring elements, the transactions associated with the contract will not post correctly.
  - These two reports are available. Users are now able to Create New Tasks, Update Task Names, Update Task End Dates, and Update Task Assignee. The video can be found here.

- **Non-Sponsored Contract Lines Without Project or Task**
  - There are questions regarding the internal controls guidance posted on the Contract Invoices page. See the Contract Invoices section below.
