The Learning all there is to know about budget & finance can feel daunting. The Support Framework: Your Guide to Finding Help

New Exception Reports on the Department Exceptions Panorama to help you identify issues in Oracle that require correction. See the BI & Financial Reporting section below for more information.

New KBA: How to Use PADUA 2.2 KBA

What can I do on my own? Be sure to try out the different calendar views in the upper right corner!

Due to limited functionality, the following notifications cannot be updated at this time: Project Cost Adjustment, FYI Purchase Order Implemented, FYI Requisition Approved, Contracts

PADUA 2.0 Task Updates Now LIVE!

Each Tuesday, the Weekly Digest provides important updates related to Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Each edition of the Digest includes links to various resources available to you.

The Support Framework is designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, identify their resources based on the following questions:

Who can help?

- Individuals who are responsible for creating or managing non-sponsored contracts should use these two reports to identify setup errors on their contracts. If contracts are missing any of these chartstring elements, the following transactions associated with the contract will not post correctly.
- Transactions on No Project:
  - Posting correctly. Use this report to identify invoices that have failed to post in Oracle and require corrective action.
  - Non-Sponsored Generate Invoice Process Errors
  - Non-Sponsored Contract Lines Without Project or Task
- Fund Management Office Hours

Fund Management Office Hours

Join the Internal Controls Office Hours to ask questions regarding the internal controls guidance posted on the Internal Controls Blink page in preparation for the transition to Oracle University Financials. The next session will be held on Tuesday, August 23, 2022, from 11:00 am to 12:00 pm, every Monday.
