The Support Framework is designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, appropriately for your next trip so you don’t miss out on the full benefit of what our managed travel program offers. Travelers who booked their airfare the Triton way during the spring quarter were automatically entered into an opportunity drawing to win a $25 Visa Gift Card. Congratulations to this quarter’s winner, Professor Izzo from Political Science!

Did you take advantage of our managed travel program during the spring quarter? If not, you can still book your travel the Triton way. Book your airfare the Triton way with Concur, Balboa Travel, or Kahala and be entered into an opportunity drawing to win a $25 Visa Gift Card. The release date of August 29, 2022 has been updated with these new features. Additionally, a short 5 minute training video can be found here.

New Exception Reports on Department Exceptions Panorama

A new report on the Department Exceptions Panorama identifies UCPath, Concur, or Triton transactions that were recorded without a project in the General Ledger. This report can be used to identify transactions needing correction. See the BI & Financial Reporting section for more information.
