A Message from President Fiorentino

Today, Jan. 24, I joined faculty, staff, students and local community members for our 27th annual Dr. Martin Luther King Jr. Day of Service. This day is dedicated to inspiring, uniting and focusing our focus on the principles, values and challenges of Dr. King's legacy. This office also offers a number of great resources for your student, including a university calendar of events and institutions that offer a wide variety of activities and classes. It's perfect timing for students to consider their own traditions or how to enter the spring semester is just beginning at West Chester University. It's perfect timing for students to consider their own traditions or how to enter their semester goals and have them set their academic legacy, and to renew West Chester University's commitment to upholding the principles and traditions of Dr. King.
