Financial Accounting Program Application is Open!

The Financial Accounting Program application is now open! Faculty and administrative personnel are invited to apply for the Spring Quarter of 2022. This is a 90-day intensive, self-paced instruction in Financial Accounting and Reporting best practices using Oracle Financials Cloud.

For those interested, please be aware that you will need to obtain your supervisor's endorsement to complete your application. If you would like to look at the form, please view it in the Application Process section of the program Blink page.

If you have any questions about the course structure (synchronous/asynchronous) or the time needed to participate in the course, refer to the program Blink page. You can access the application link here.

For those who already applied and have yet to start the program, you should have received an email on February 7 inquiring about your interest. If you did not receive an email and you applied during Fall 2021 or Winter 2021 and desired a Spring Quarter start, please contact financesupport@ucsd.edu.

For those interested, please be aware that you will need to obtain your supervisor’s endorsement to complete your application. If you would like to look at the form, please view it in the Application Process section of the program Blink page.

If you have any questions about the course structure (synchronous/asynchronous) or the time needed to participate in the course, refer to the program Blink page. You can access the application link here.

Financial Accounting Program Applications are due by 4:00pm on Sunday, February 27, 2022. Interview invitations will be sent via email on March 1, 2022.

Current links to Production and Training environments for both Web and SmartView are available through the UC Learning Center.

Oracle: Buying and Paying for PO Requisitioners

This course includes hands-on instruction on the use of Oracle Procurement & Payables. It focuses on topics such as shopping for and purchasing goods and services, searching across UC Online Stores, and placing orders.

This course will be especially valuable for individuals responsible for departmental requisitions and POs, closing POs, processing nonPO payments, and checking invoice status. UC San Diego requisitions and POs, closing POs, processing nonPO payments, and checking invoice status.

Thursday, March 3, 2022 @ 9:00am - 11:00am

Oracle Reporting Technology Upgrade

Due to this, enhancements to existing Oracle reports and release of new Oracle reports will be temporarily paused so the BI & Financial Reporting team can conduct thorough testing. This will not impact the launch of the Faculty & Researcher Dashboard, nor will it impact the accuracy of current reports.
