Friendly reminder that as we head into our first fiscal year-end close, we ask that departments please make all efforts to identify and claim all awards with an end date of 2/31/2021. Please prioritize reconciling these...

The following checklist was created to help departments review updates and cross-reference changes in Oracle...

Known data elements or requests not included in the updates:

- Project reconversions are now complete, including the removal of all resources transactions posted as negative PPM costs...
- Requests should be closed to lift the commitments. Concur users/delegates can do so by following these steps:
