Please select a different expenditure type. If the user selects Category 1 in the Expenditure Type dropdown menu for an expenditure type other than Category 16, the message will return a value indicating that the current selection is incorrect and that they should select another expenditure type.

If the user clicks Yes in the Category 16 checkbox, the user will be prompted to select an alternative expenditure type. If the user clicks No, then a new message will appear prompting the user to check the box for the expenditure type (163003) is used in the POETAF.

Enhancement #2: Inventorial Equipment Checkbox and Expenditure Type Check

If the user clicks Yes in the Inventorial Equipment checkbox, the user will be prompted to select an alternative expenditure type. If the user clicks No, then a new message will appear indicating that the current selection is incorrect and that they should select another expenditure type.
The Support Framework: Your Guide to Finding Help

Learning all there is to know about budget & finance can feel daunting. The Support Framework is designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, identify their resources based on the following questions:

- What can I do on my own?
- Where can I get help?
- Who can help escalate?
- How do I suggest enhancements?

Bookmark or download a copy for quick links to various resources available to you.

Each Tuesday, the Weekly Digest provides important updates related to Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Our goal is to deliver timely information that matters to you.

Not sure where to find answers? Get started using our Support Framework.
