CIA celebrates 135th and a big thank you!

[Make a Gift](#)

On November 13, we celebrated the Cleveland Institute of Art's 135th birthday. As part of this birthday celebration, we set a goal of reaching **135 new gifts** (from alumni through the end of November). And we are thrilled to announce, through your help and generosity, we achieved this goal! Over 140 new gifts came in that will help empower CIA students to make the most of their art and design education. Thank you!

Didn't get a chance to make a gift? Click [here](#) to make a gift today that supports our students.

Announcement: Karen Hudy

We wanted to let our alumni and friends know that Karen Hudy, CIA's registrar, will be retiring at the end of the fall semester. Karen joined CIA in 1978 and has touched the lives of so

many of our alumni. Karen was part of the team that brought computers to CIA (registration was only in person, not even by mail), and she contributed to at least four conversions of the student information system. She steered the office toward newer and developing technologies, has managed the course schedule, student enrollments, and room assignments, has been a valuable member of the curriculum committee, and has always had an instrumental role in Commencement.

As a way to say thank you to Karen, CIA will be compiling a book of memories and well-wishes. Please email any words you'd like to share to alumni@cia.edu or mail to the Alumni Office at 11610 Euclid Avenue, Cleveland, OH 44106.

And if you would like to stay in touch with Karen, her email is kehudy@yahoo.com. We will all miss Karen and wish her the best on this next chapter!
