New Professional Development Courses

Our PD team has launched a brand new set of courses for 2026!

Explore these new courses today and add a new skill set to your teaching with no cost. You'll also find standbys that continue to enhance your valuable skills.

Check out the courses here

PDTV's Newest Episode

Join us to watch this episode of PDTV, where we visit Moroni Elementary to see how fourth-grade Dual Language Immersion teacher Talia Casares uses artificial intelligence to elevate teaching and learning.

Learn how Talia integrates AI into her classroom to create opportunities for students to read, write, speak, and listen in their target language. To see AI in action and gather ideas you can bring to your own classroom, click the video below.
