Internal Controls Policy Available for Review
The final draft of the internal controls policy will be available for review and comment this month and then it will be sent for publication in the campus Policy and Procedure Manual. The policy will formally establish procedures and standards regarding internal controls for departments. The draft of the internal control policy can be found here.

Currently, the target date for policy implementation is mid-January 2024.

Please note that access to the draft is restricted to UC San Diego accounts. Refer to this Blink page for guidance on how to log in before viewing it.

For questions or concerns on the policy, please submit a ticket via Services & Support [About: Financial Accounting, Related to: Internal Controls, More Specifically: Internal Controls Support] before December 1, 2023.

Project Type Name Update
As communicated in the 9/28/23 Digest, new project types were created and an existing one had a name change, in support of the Fixed Assets Project. This name change has caused some confusion for campus users so the name is being changed again, effective November 18, to alleviate this confusion.

**Project Type New Name: UCSD Sponsor Project Pre FA** (originally UCSD Sponsor Project, then DNU UCSD Sponsor Project).

**Foundation Recurring Transfers**

You are encouraged to set up a recurring transfer for your Foundation funds (fund number begins A-L). The available full balance will be transferred to your specified chart string monthly, reducing your administrative burden to submit individual requests. Any unspent balance will carryforward year to year, so there is no need to wait to transfer funds. This will also make seeing your full balances on existing BAH reports easier.

To make this request, complete a Foundation [request for funds form](leaving the amount field blank and checking the recurring box. Submit your completed form to UC San Diego Services & Support Portal, About: Gift Funds; Related to: Gift Fund Setup & Transfer; More Specifically: Foundation Requests for Funds Transfer.

### Tips & Tricks

**Payment Process for Non-Employee Students**

This is a friendly reminder that non-employee students need to register through PaymentWorks to receive their reimbursement. They must be invited to register in PaymentWorks by a UC San Diego employee, and should not log in with their student SSO.

If the student is an employee at UC San Diego, you must reimburse them either by acting as a delegate on their Concur profile (for Travel Expenses), or via the Non-PO Payment to Employee form (for other expenses and reimbursements).

If you need to confirm the employment status of a student, please use the Supplier Inquiry Report in the Business Activity Hub to search for their employee supplier profile.
