Financial Information System (FIS) Baseline to Baseline Event - Volunteers Wanted!

Research Administrators (RA), Fund Managers, Business Officers, Departmental Business Officers (DBO) – the FIS Baseline 2 Baseline event is a unique opportunity to drive process improvement. At your own pace, arrive at Torrey Pines Center South (TPCS) and go through your normal processes that involve FIS systems– and the office of Operational Strategic Initiatives (OSI) staff will be on hand to capture process information. Not only will you be supporting continuous improvement on campus, but you will also become eligible for prizes! Did we mention free food and parking also? Register now and we'll see you anytime during the day you sign up for - between April 3 and April 7th.

PaymentWorks is now live!

PaymentWorks, the new payee registration platform, is now available at: https://paymentworks.ucsd.edu. PaymentWorks provides the necessary security measures to protect the university against increasingly complex fraud schemes, status tracking of payee registrations, and opens up ACH as a payment option for PO suppliers. Visit the PaymentWorks Blink page for more information including training resources and join a dedicated PaymentWorks room in Office Hours this week.

Note: As of April 8th, issuing new payee invitations or modifying existing registration information will no longer be available in Payment Compass. Payees will need to be invited to PaymentWorks to complete or update their registration. Payment Compass will continue to be available to do the following until a new solution can be identified:

- Proxy registration for non-PO payees.
- Invoice submission (including subaward invoices).
- Viewing invoice and payment status, although Oracle provides the most up-to-date payment status information for campus.
Oracle Scheduled Maintenance 04/07/2023
