Dear Friends,

As we prepare for students to return to campus this fall, I wanted to share a few updates with you:

- **COVID-19 Vaccination Requirement:** Mason recently announced that all students, faculty, and staff will be required to be fully vaccinated against COVID-19 or seek a corporate sponsorship exemption. This decision is consistent with Mason's longstanding history of requiring students to be immunized against a wide range of diseases to prevent the spread of contagious illnesses. The requirement includes the rubella, mumps, Hepatitis B, and meningitis vaccines.

- **Update on Masks:** While we are encouraging all members of the Mason community to wear masks indoors, this requirement is currently pending approval from the Virginia Department of Health.

- **Virtual Events:** To stay up-to-date on our events, you can follow our calendar here.

As of June 1, 2021 the new Alumni Chapter Board has been elected. We are so excited to introduce you to them here. If you have any questions for any members of the Alumni Chapter Board, please contact us at alumni@gmu.edu.

Sincerely,
