Education scholarship honors mother of UAH faculty member

Education is the family business for Dr. Rhonda Gaede, interim associate provost for undergraduate education and associate professor in the Department of Electrical and Computer Engineering at UAH. She recently made a new investment in that business, pledging $27,500 to endow the Shirley Gaede Scholarship in Education at UAH in honor of her mother.

Senior design students develop new water supply system for Nicaraguan village

Electrical engineering students have designed an automated chlorine dispenser to upgrade the water supply for a village in Sabana Larga, Nicaragua, in conjunction with the UAH chapter of Engineers Without Borders. Nicole Barnes, Noah Girkin, Audrey Simms and Mary Stewart worked as ‘Team Gyrados’ to design and implement the dispenser system as part of their EE494 Senior Design course.
