- 2. Approve or cancel ALL Pending AWE transactions by Thursday, March 7, 2024 at 3:00 pm

## **Defect with Salary Cost Transfer Tool**

Please be advised that there is a defect in the new Salary Cost Transfer (SCT) tool implemented on November 11, 2023, where negative amounts cannot be moved on expired project-tasks in the Labor Ledger (DOPE). This is primarily impacting offsetting payroll lines for Vacation (VAC), Holiday (HOL) & Sick Leave (SKL).

**Note:** This issue is only occurring in the new Salary Cost Transfer tool. Payroll transfers eligible for the **old Direct Retro tool are not** experiencing this same issue.

Please <u>submit a ticket</u> to the Payroll Financial Management team through the <u>BFS Services & Support portal</u> if you are experiencing this or similar issues. We are currently investigating potential workarounds for this issue and reviewing if other transactions are impacted. We apologize for the inconvenience.
