TMB Clarifies New Fingerprinting Requirement Ahead of February License Renewals

As the first round of this year's physician licensure renewals approach, a new fingerprinting requirement affecting certain renewals has sparked confusion and concern among Texas physicians. The Texas Medical Board (TMB) is taking steps to clarify the process. Read more.

Harris County Medical Society's President Robert Jackson, MD provides a detailed – almost step by step – guide to the new requirement in his January President's Page. Read more.

TONIGHT!! TCMS Public Health Committee Presents: Syndemic Theory Approach to Mpox

Join us for an interactive presentation about our Syndemic Theory Approach to Mpox and routine STI screening and testing. We will present guidance for how to implement HIV & Syphilis routine screening for all patients as well as how Mpox fits into the conversation.

This is a great opportunity to learn directly from sexual health experts as they share the state of the field and offer important resources to impact the sexual well-being of your patients.
Please complete this survey prior to the meeting.

Date: Thursday, Feb. 1

Retired Physician's Organization (RPO)

RPO Event with New York Times Best-Selling Author Bryan Burrough

Date: Tuesday, February 20
Time: 11:30 am
Place: Tarrytown Methodist Church, 2601 Exposition Blvd. Austin 78703
Cost: $25 per person (non-refundable)
Guests welcome

Join us for lunch and a delightful conversation with Bryan Burrough. Bryan is the author or co-author of seven books, including *The New York Times* best-sellers *Barbarians at the Gate*, *The Big Rich*, *Public Enemies* and, most recently, *Forget the Alamo: The Rise and Fall of an American Myth*.

A longtime special correspondent at *Vanity Fair*, Bryan is now Editor at Large at *Texas Monthly*, where he hosted last year's popular “Stephenville’’ podcast. A native of Temple, he lives with his wife Amy Pfluger in Northwest Hills and, having left Texas for thirty years to work in New York, hopes to never leave again.
