Dear Community:

Monterey County, and that the project has potential for policy impact beyond Monterey.

Community Advisory Board (CAB) meetings this year (February and May 2021) demonstrated that Kudos to you and your mentors Drs. Lisa Goldman Rosas & Dr. Lianne Kurina. Wishing you Pediatric Medicine, Johns Hopkins & Massachusetts General Hospital, Sam and Vivian had the opportunity to present their amazing work at this year’s Congratulations to our Valley Fellows and their Community Partners, VALLEY FELLOWSHIP PROGRAM COVID-19 town halls for now and urge you to visit more research and program updates!

Be safe, be kind, get vaccinated, and enjoy the rest of your summer! We will be back in the fall with masking, maintaining social distance when possible, and practicing good hand hygiene. As we After more than a year of varying degrees of restrictions, California has finally entered a phase of pandemic together. We stood beside you and heard your concerns, With thousands in attendance and with the support of Stanford Faculty, CBOs, COVID-19 COMMUNITY TOWN HALLS

Congratulations Geeta! We are very proud of all your accomplishments and celebrate our accomplishments and continued to remain vigilant and pandemic together. We stood beside you and heard your concerns, With thousands in attendance and with the support of Stanford Faculty, CBOs, COVID-19 COMMUNITY TOWN HALLS

Leveraging Citizen Science to Promote Healthy Retail Stores and Foster Health Equity

Reengaged with the public health community in Fall 2020, the project and the team are preparing to launch a prevention and screening project that aims to access to cancer prevention, screening, and treatment for underserved and underrepresented populations. The project is led by Dr. Wei-ting Chen, Glenda Estioko, Dr. Lisa Goldman Rosas, and Erica Martinez.
