Dear OCE Community,

As we emerge from our homes onto busy roads and crowded public spaces, I am constantly reminded of the importance of maintaining safety and health during the pandemic. We are so proud of you all, and we look forward to your contributions and career advancements.

Congratulations to our Valley Fellows and their Community Partners on their amazing work at this year’s COVID-19 town halls. We encourage you to visit the coordinator where she will be able to supply her research skills and passion for health equity. Our internship program continues to support and commit to building a healthier community.

Anshal Gupta, throughout his research, “Santa Clara County Public Health Jurisdictional Risk Assessment,” demonstrated his commitment to public health. He is supported as a Stanford Medical Student/Valley Fellow, funded by TrueRemove. We look forward to Anshal and others’ presentations in the Winter Quarter.

WELCOME ERICA MARTINEZ

We are so excited to welcome Erica Martinez as a Spanish translator and community health educator. Erica comes to us with a wealth of experience in language and public health. She has worked with underserved indigenous communities in Panama twice and is now excited to continue her work with us.

Recent AHEaD SCHOLARS PROGRAM awardees:

Jessica Hernandez, Med Student
Geeta Rajamani, Human Biology, Class of 2021, Stanford University

Leveraging Citizen Science to Promote Healthy Retail Stores and Foster Health Equity

Using短语, we are pleased to announce that Dr. Wei-ting Chen has been appointed as Associate Director of Community Partnerships. Dr. Chen will join us in the fall with her vision of promoting healthy retail stores and fostering health equity.

OCE’s mission is to advance health equity and diversity in healthcare by training the next generation of healthcare professionals and leaders. By engaging communities and supporting underrepresented and historically excluded groups in the health sciences, OCE plays a vital role in promoting social justice and equity.

Dr. Wei-ting Chen, Associate Director of Community Partnerships

In community,

Be safe, be kind, get vaccinated, and enjoy the rest of your summer! We will be back in the fall with more updates and opportunities to get involved. Thank you for your support and commitment to building a healthier community.

In health,

Drew Birrenkott

CONGRATULATIONS CLASS OF 2021 VALLEY FELLOW MD GRADUATES

The Class of 2021 Valley Fellow MD graduates have completed their fellowship projects. Both Avanti Arora, Emergency Medicine, and Emily Shearer, Obstetrics & Gynecology, have made significant contributions to our community. We are so proud of their work and the impact they have had.

Geeta’s journey with OCE began 4 years ago as a freshman. In May, we had the pleasure of watching her present her incredible contribution to OCE! Geeta’s journey with OCE began 4 years ago as a freshman. In May, we had the pleasure of watching her present her incredible contribution to OCE! She will be volunteering as a Spanish translator and community health educator.

We are so proud of you all, and we look forward to your contributions and career advancements.

Thank you for your tireless work in supporting Stanford Medical Student/Valley Fellow, Anshal Gupta, throughout his entire project entitled, “Santa Clara County Public Health Jurisdictional Risk Assessment.” She is supported by TrueRemove, a Stanford Medical Student/Valley Fellow, and she has been identified as a true community (s)hero! Thank you for your unwavering support and commitment to building a healthier community.

Dr. Lisa Goldman Rosas | Erica Martinez

On-going Research Initiatives

At the Stanford University, we continue to advance our research initiatives, focusing on various aspects of health and equity. Our research team has made significant progress in the following areas:

Stem Cell Research:

The Stanford Stem Cell Research Center is dedicated to advancing our understanding of stem cells and their potential applications in regenerative medicine.

Infertility Research:

Our team is committed to improving outcomes for patients with infertility, exploring new treatments, and developing strategies to support those affected.

Community Engagement:

We emphasize the importance of engaging with diverse populations to ensure equitable access to healthcare services and resources.

Our commitment to advancing health equity and diversity in healthcare continues to drive our efforts. Stay tuned for updates on our latest initiatives and accomplishments.

Best wishes

Anshal Gupta
