Reminder for Approvers Taking UCPath CORE Training

The [UCPath CORE Training](#) is broken down into short modules that go over each transaction type. Since the training is modular, approvers only need to take the modules for the transaction type they will approve.

Approvers **need** to complete the module before gaining access because they must understand the transaction type in order to effectively review transactions before approving.

Resources:

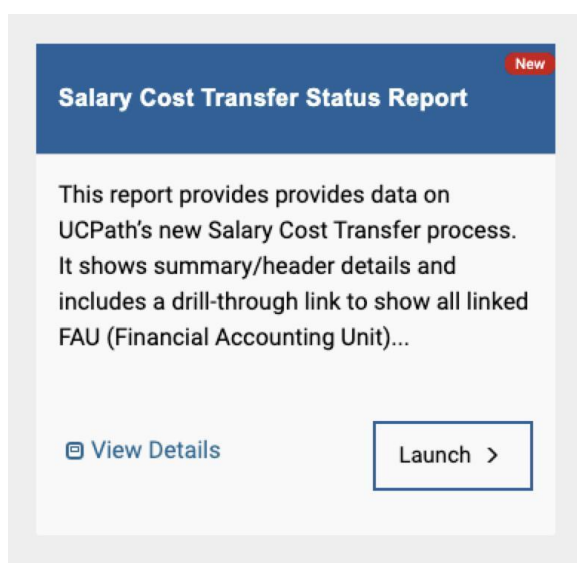

- For more information, along with a breakdown of each UCPATH CORE Training module, please refer to our [UCPath Training Guide](#).
- For list of UCPATH roles associated with the UCPATH CORE Training module, refer to the [Roles and Access to UCPATH page](#).

New Salary Cost Transfer Status Report

The **new Salary Cost Transfer Status Report** is now available in the [Business Analytics Hub](#)!

The report is **separate** from the Direct Retro Status Report, but provides the same level of detail for Salary Cost Transfers as the Direct Retro Status report, including the processing and high risk status.

The report also includes a drill-through link to show all linked funding line details.

Access the report in the [Business Analytics Hub](#) by selecting the HR/Payroll tab and navigating to the Payroll Accounting and Reconciliation folder.

Note: If you do not have access to the Payroll Accounting and Reconciliation folder in BAH, you can request access through the [UCPath Cognos Reports Access Request form](#) in the Employee Center.

All funding transactions must be locally approved by **Thursday, June 20, 2024**.

New UCPATH On-The-Job Training

First time entering a transaction and not sure where to start? Don't enter transactions often and would like some help? The [UCPATH On-The-Job Training](#) sessions are now available to new and existing transactors who need assistance with UCPATH transactions.

If you would like additional guidance or a second set of eyes, book a UCPATH On-The-Job Training session to go over the transaction(s) you need to enter with our UCPATH trainer. Please bring at least 1 transaction to enter. Our UCPATH trainer will guide you through the steps.

Before You Book: Because it is an individualized service, On-The-Job Training **REQUIRES** that you bring a transaction. To get the most out of your time, book an On-The-Job Training appointment **only once you have work to complete in UCPATH.**
