Student Life Weekly

Be Mindful of Your Wellness with Exam Cram

Exam Cram is back! Exam Cram is a biannual series of events and programs designed to help you study more effectively and take time to recharge. This year's Exam Cram features hot chocolate bars, group exercise events, therapy dogs, and so much more. Add the events to your calendar!

[What is happening at Exam Cram?](#)

Top 4 Study Spots on Campus

Exams are quickly approaching, which means it's time to find a place where you can feel comfortable and focused to finish the semester strong. We asked you to vote on Instagram for your favorite places to study on campus. If you're still searching for that perfect place, look no further than this list of the top four study spots at Grand Valley.

Welcome New Student Organizations

[Baseball Analytics Club](#)

Special Interest organization that works alongside the GVSU Baseball program in analyzing, collecting, and developing baseball data in order to provide a better understanding of the analytical side of baseball.

[Indian Association](#)

Cultural organization that will help and provide guidance to international students adapting to student life at Grand Valley State University. Members will promote Indian culture while developing intercultural relationships with other community groups.

[Lab Scientists](#)

Academic & Professional organization working within the Medical Laboratory Science field to contribute to students' career development as they are informed, educated, and prepared for the role of clinical laboratory scientist.

[Lettuce Club](#)

Special Interest organization that holds quarterly meetings dedicated to the Lettuce Games which bring students together to eat, grow, and dress lettuce for fun and laughs.

[More Than a Meal](#)

Service & Advocacy organization working alongside Meal on Wheels Western Michigan by providing volunteers, donations, and supplies. Members of More Than a Meal have the common goal of ending the fight against senior hunger.

[Pickleball Club](#)

Special Interest organization created to provide a friendly and fun environment where students can come together to play pickleball.

[Women in Medicine and Science](#)

Academic & Professional organization dedicated to fostering an academic and social environment for women to network, fulfill service hours, and develop leadership skills that will help them in their futures as women in the medical field.
