FREE VIRTUAL PEACE- BUILDING OPPORTUNITY

World Citizen is delighted to share information about **Ceeds of Peace** and their upcoming workshop series. We are looking forward to being participants and know that many of you may be interested as well. Space is limited.

Seeds of Peace Peacebuilding Workshop Series is open to all in our community (Hawai'i, our nation, and the world) — educators & school staff, family members, non-profit & for-profit professionals, creatives, and anyone who aspires to build peace within themselves, within their homes, within their schools, within their communities, and beyond. This year, the series will be 100% virtual via Zoom and 100% free admission. Because each session builds on the last, we ask that all who register commit to attending all four sessions.
