NASHMAN OPPORTUNITIES

Next Week: Changemaker Week February 22nd - 26th, 2021

During Changemaker Week, we will learn about social issues that impact all. Come to learn, reflect and put ideas into action! Change making begins to happen when we learn, reflect and put one small action into practice and turn it into a habit. Now is the time to consider your ideas for how to make effective change!

What can you expect? Starting on Monday, February 22nd, you will receive a variety of resources (ie. videos, podcasts, articles, service opportunities, etc.) on a particular social issue, directly to your inbox. At the end of each day our student changemakers will go Live on Instagram to reflect on the content shared every day. On Friday, February 26th, you'll have the opportunity to reflect on the content shared throughout the week, hear from a brilliant speaker, and engage in collaborative conversation with community partners and faculty. We will work with you to make your ideas into working proposals for change!
