December 2020

President's

Message

Dear Lancers,

This has certainly been a challenging year, to say the least. We can't wait for 2020 to be history!

Many in our community have been overwhelmed with health issues, financial stresses, emotional exhaustion or academic frustrations. Yet while we have felt the pain, chaos, confusion and challenge of living in a world dominated by COVID-19 since March, many of us have experienced some unexpected positive realizations in our lives.

Maybe we are more grateful for our families and friends. [Continue reading...](#)

With love and gratitude from Salpointe,

The Reverend Thomas "Aidan" Butler, O.Carm., is celebrating 70 years as a Carmelite priest and many of those years have been spent in support of Salpointe Catholic High School and living at Salpointe's Carmelite Priory.

Fr. Tom joined the Carmelites at 13 years old when he was encouraged by a nun to attend high school at the Carmelite Seminary in Niagara Falls, Ontario. Fr. Tom was ordained a priest on June 6, 1950, at the age of 24. He is the senior member of the Carmelite Province of the Most Pure Heart of Mary and will turn 95 years old on February 17. Though not quite the oldest Carmelite, Fr. Tom has been a professed Carmelite longer than any other living member.

Throughout his long life, Fr. Tom has been known to skydive, hunt, paint, photograph and write more sermons than he can count. This remarkable priest has worked at 10 high schools and parishes across the country, leaving a legacy everywhere he goes.

Young Tom was born in Pittsburgh, PA, to a family of athletes. "My dad was a professional football player back before there were these big professional teams," said Fr. Tom. "He was known to be outstanding! My younger brother Jack played professional ball for the Pittsburgh Steelers and he was among their best." Jack Butler was inducted into the Pro Football Hall of Fame in 2012. The Butler family is still very close friends with the Rooney family, founders and owners of the Steelers and Fr. Tom can often be seen sporting Steelers attire.

"Everyone in the family played sports!" said Fr. Tom. The Butlers are a family of athletes, and Fr. Tom was no different.

Adopt-a-Family: A Lancer Tradition Since 1985

For decades, Lancers have rallied in support of local families in need. Since 1985, students, faculty and staff have donated Christmas gifts to dozens of families each year. Working with Pio Decimo again this year, the Lancers have carried on that tradition and adopted 29 families in need. Because of the pandemic, the need is even greater this year.
