Projects for Peace

One thing that's making me happy now -- for so many reasons -- is having a bit of time to reflect and think. It is okay to feel hopeful and to take a deep breath. As the days go by it is easy to forget how much you have accomplished and how much we have done together. Remember the good stuff.

As you reflect on the past year and talk with family and friends, remember to congratulate yourself and your loved ones on your resilience and your persistence. Now is the time to rest, reflect, and remind ourselves that we are resilient!

Wishing you loving and peaceful holidays and a healthy and enlightening new year.

Amy Cohen, Interim Executive Director of the Honeymaker Center for Civic Engagement and Public Service
