

Greetings World Citizen Friends!

2021 looks as if it holds promise for some positive change. We can be a part of that promise if we continue to embrace the World Citizen Five Peace Actions. As said by President Joe Biden, "Sometimes we need a helping hand, sometimes we need to lend a helping hand." The Five Peace Actions suggest ways to lend a helping hand.

We can all be a part of making life better by helping each other. To Find Peace Within Ourselves and Others; Reach Out in Service; Protect the Environment; Respect Diversity; and Be a Responsible Citizen of the World are all directives to improve the world we live in, action by action, step by step.

What are some things we can start with? Wear a mask, social distance, help feed the hungry, assist to clothe and shelter the homeless, provide opportunities for disadvantaged children, be a good listener - we never know the needs that exist, and share whatever little or how much we have with those in need.

We extend our sadness for everyone that has suffered with Covid-19. The suffering of losing someone to the virus or possibly our own individual health complications are beyond our comprehension. Most of us have only given up some of the inconveniences of life this past year. It has been a small sacrifice for many of us. World Citizen continues to be grateful for your generous support and wishes you a healthy and safe 2021!

Peace Will Prevail,

Kathy Millington, Executive Director
