

Dear Colleague,

Greetings from a blooming Buenos Aires! I'm so happy that spring (and long warm days) are finally resuming in South America!

Last month I was lucky to meet some of you on the **Ecuador Roadshow** organized by the Tourism Board in key cities in the **West Coast**.

And right now I'm organizing with Karen (our invaluable behind the scenes angel at Emerging Destinations) a visit to **Arizona**. It will be my first time in the Grand Canyon State and I'm very much looking forward to it! So if you're in or near **Phoenix, Scottsdale** or **Tucson**, please drop me a line, as I would love to meet you in person!

Our clients in the Americas portfolio are ready for a very promising 2023-2024 season. Thanks to your continuous support — occupancy levels are looking really good — and I'm thrilled to see that more Americans (and Canadians, too), are considering Latin America for their next vacation.

If you're still working on any booking request for this region in the upcoming months, please give our clients in **Panama, Ecuador, Colombia** and **Chile** a try! And if you need some inspiration, take a look at the blogs and specials below. There's something for everyone for sure!

Best regards,

Ana, on behalf of The Emerging Destinations team (Jane + Jenna + Ana)
