Join us on Mason Core Enhancements at Mason Core Models 

The Mason Core committee has been working on updating the Mason Core with the goal of graduating 

students as scholars and citizens who are prepared to act in a diverse, global world. Several Task 

Forces provided input to the Mason Core Committee, and the committee have created three potential 

models for an enhanced Mason Core. We have compiled information about these models, a recording 

of the January townhall, and now a new set of 

Depending on which model is chosen, the Mason Core committee will need some additional time to 

provide a proposal to the Provost in the spring. We encourage all Mason faculty, staff, and students to
