Detail of Huron birch bark basket, Quebec
Photograph by Gil Talbot
Catalog Number: 141/17494

The Ethnographic Research Collection complements the archaeological collections and is used extensively in support of the museum’s teaching mission. The North American Indian basketry collection includes 350 pieces representing groups from every major culture area and ranging in date from the early 19th century to the present. This image is one section of a Huron birch bark tray basket from Quebec, Canada. The birch bark is embellished with figures smoking pipes, embroidered in moose hair.

Annual Report 2020-2021
Contributed by Emma Lavoie
The Peabody’s annual report for academic year 2020-2021 has just been released! Check it out here!

Social Justice for Younger Students
Contributed by Lindsay Randall
An important part of the Peabody’s educational mission is to support the expansion of archaeology-centered teaching into new areas. Read on to learn more about a new opportunity for the Peabody.

Reconnecting with Old Friends
Contributed by Marla Taylor
This month the Peabody hosted a special school group visit from Cape Cod Academy and welcomed back a PA alum who has been a part of the Peabody’s extended family for nearly 13 years! Read on for more!

Diggin’ In: Peabody and MAS Digital Lecture Series
SEASON 4
Upcoming Episode Dates:
Season 4, Episode 2 - February 9, 2022
Season 4, Episode 3 - February 23, 2022
This series showcases live presentations with archaeologists from across the United States who will take questions directly from you! Different topics will be covered during each 30-minute episode, which start live at 1:30 pm (EST) every other Wednesday and will be posted to YouTube afterwards.
