Dear Students and Parents,

As we approach the end of the academic year, I want to extend my sincerest congratulations to the Tiger Twelve Class of 2021! Your dedication and hard work have paid off, and you should be proud of yourselves. You have demonstrated resilience and adaptability throughout the challenges of the past year, and your achievements are an inspiration to all.

I also want to recognize the distinguished candidates who have been accepted into the LSU Division of Student Affairs Tiger Twelve program. These students have shown exceptional leadership potential and have the potential to make a significant impact on our campus community.

In addition to celebrating our seniors, I want to remind you that our study abroad programs for summer 2021 have been canceled. However, we are looking forward to welcoming you back to campus next fall. This is an exciting time for our university, and we are committed to ensuring that your time here is as memorable and successful as possible.

We have also announced the LSU Interim President and Professor of Law, who will be serving in this role until the end of the academic year. I look forward to working with him and supporting his efforts to lead our institution.

As we move into the summer, all Tigers are encouraged to stay active. UREC offers a wide range of programs and activities to help you maintain your health and wellbeing, and I encourage you to take advantage of these opportunities.

We understand that the pandemic has been a challenging time for everyone, and we are committed to supporting your mental health needs. The LSU Counseling Center offers a variety of services, including crisis intervention, individual and group therapy, and telephone triage. You can find more information about their services on the LSU Counseling Center website.

We are also offering more campus and virtual academic summer programs for rising 6th-12th graders. These programs provide an opportunity for students to engage in academic enrichment and explore potential areas of interest. We encourage you to learn more about these programs and to express your interest in participating.

As always, thank you for your continued support of our university and our students. Together, we can ensure that our fall semester is as successful as possible, and we look forward to seeing you back on campus soon.

Sincerely,

[Signature]
LSU President
