A NOTE FROM THE PRESIDENT

Dear University Community,

Every spring since 2003, we’ve honored the students who demonstrate the principles of the LSU Commitment to Student Success by selecting the LSU Tiger Twelve. These students have become a testament to the strength of LSU as a university dedicated to the advancement of our students and the preparation of leaders for Louisiana and the world.

Graduate, undergraduate, and first-generation students, who are income-eligible, and students with disabilities are invited to apply. The priority deadline for the fall 2021 cohort has passed. Students can express interest by filling out the Tiger Twelve application. Encourage them to apply to become part of the Tiger Twelve Class of 2022.

Congratulations to the Tiger Twelve Class of 2021! The Tiger Twelve are selected after a rigorous review process and demonstrate the principles of the LSU Commitment to Student Success. The Tiger Twelve program is intended to inspire, educate, and empower our students to achieve their academic and professional goals.

The LSU Commitment to Student Success is a set of core principles that guide the work of the university. These principles include access, affordability, excellence, and commitment to student success. The Tiger Twelve program is an example of how LSU is committed to providing a world-class education to all of its students.

As we look towards the future, I encourage all of our students to embrace the principles of the LSU Commitment to Student Success and to strive for excellence in their academic and professional pursuits.

Sincerely,

CAMPUS HIGHLIGHTS

- LSU Pre-College: The LSU Pre-College program is an accelerated academic program designed to prepare students for college-level work. The program offers courses in a variety of subjects, including math, science, and English. Students who successfully complete the program are eligible to enroll in college-level courses at LSU.
- Center for Academic Success: The Center for Academic Success offers a range of services to help students succeed academically. These services include tutoring, academic coaching, and study-skills workshops.
- Bursar Operations: Bursar Operations provides financial aid services to help students pay for their education. These services include awarding financial aid, processing scholarships, and managing student loans.
- Public Health Initiatives: Public health initiatives are essential for personal or campus community health and safety. Public health initiatives include the dissemination of health-related information, the establishment of policies and practices to support health, and the ability to respond to health-related events.
- Immunization Processing and Compliance Verification: Immunization processing and compliance verification are important for maintaining a healthy and safe campus community.
- Bursar Operations: Bursar Operations provides financial aid services to help students pay for their education. These services include awarding financial aid, processing scholarships, and managing student loans.
