The Symposium and DODG Fiscal Training Will Be Rescheduled to Later This Year. No RMA or Governance Trainings Will Be Concluded by CAAP Until Pandemic Ends
Governor Wolf has suspended most travel and meetings, training and conferences for state employees due to COVID-19.
Following his lead, and out of concern for the well-being of our members, CAAP is postponing the Symposium and all other trainings such as Governance and RMA. The DODG 2nd Phase training, which was incorporated into the Symposium dates and location, is also postponed.

Coronavirus COVID-19
Governor Wolf’s Secretary of Health Dr. Rachel Levine yesterday afternoon provided an update on the state’s COVID-19 mitigation efforts, including case-by-case prescriptive health advice for Pennsylvania citizens.
Updated guidance on how to reduce the spread of the virus. The update gave further meaning to our decision to postpone CAAP until this pandemic has passed or is significantly reduced. If you need to review the substance of their update, please go here.
