Share Internship and Employment Opportunities
Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungrier than ever for internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), a link for where grad students can apply and/or get further information, and any other relevant info. We’ll then circulate the opportunity to current UCSB graduate students.
