Our graduate students need your support now. Here are two ways you can help:

Share Internship and Employment Opportunities
Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the opportunity, required area expertise, desired degree stage(s) (PhD., M.A., etc.), if the role is open to grad students (e.g. entry level or student prior to graduation), and any other relevant info. We will then circulate the opportunity to current UCSB graduate students.
