Graduate Alumni Giving Back
Our graduate students need your support now. Here are two ways you can help:

- **Share Internship and Employment Opportunities**
  Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an opportunity to offer, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), if the role is open to grad students only (skip if not a better description), and any other relevant info. We'll then circulate the opportunity to current UCSB graduate students.
