Less Particle, More Wave
From the lab to the legal world, Dr. Ron A. Dolin is a jack of all trades.

On the Rise
The campus notches more than two dozen graduate student winners of prestigious NSF graduate fellowships.

Graduate Alumni Giving Back
Our graduate students need your support now. Here are two ways you can help:

Share Internship and Employment Opportunities
Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), any other relevant info. We’ll then circulate the opportunity to current UCSB grad students.
