Less Particle, More Wave

On the Rise
The campus notches more than two dozen graduate student winners of prestigious NSF graduate fellowships.

Graduate Alumni Giving Back
Our graduate students need your support now. Here are two ways you can help:

- **Share Internship and Employment Opportunities**
  Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an internship or job opening, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), a link for where grad students can apply and/or get further information, and any other relevant info. We’ll then circulate the opportunity to current UCSB graduate students.
