Share Internship and Employment Opportunities

Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), if the hire is open to grad students only or another grad student, and any other relevant info. We will then circulate the opportunity to current UCSB graduate students.
