Graduate Alumni Giving Back

Our graduate students need your support more than ever. Here are a few ways you can help:

- Share Internship and Employment Opportunities
  - Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an open position or hiring prospects, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), and a link where grad students can apply. We’ll then circulate the opportunity to current UCSB graduate students.
