Less Particle, More Wave

From the lab to the legal world, Dr. Ron A. Dolin is a jack of all trades.

On the Rise

The campus notches more than two dozen graduate student winners of prestigious NSF graduate fellowships.

Graduate Alumni Giving Back

Our graduate students need your support more than ever. Here are two ways you can help:

Share Internship and Employment Opportunities

Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), a link for where grad students can apply and/or get further information, and any other relevant info. We'll then circulate the opportunity to current UCSB graduate students.
