Graduate Alumni Giving Back
Our graduate students need your support now. Here are two ways you can help:

- **Share Internship and Employment Opportunities**
  - Is your company hiring? During this challenging time, current and graduating UCSB grad students are hungry for job and internship opportunities. If you have an employment or internship prospect, please email gsrc@ucsb.edu with a brief description of the role, required area expertise, desired degree stage(s) (PhD., M.A., etc.), the type of graduate student you expect to attract, further information, and any relevant info. We'll then circulate the opportunity to current UCSB graduate students.
