A NOTE FROM THE PRESIDENT

Hello LSU family,

Dear Tiger Family,

It is with great pride that I share with you how much LSU President, Dr. Kinzel and I are excited for the positive changes we are seeing on our campus. While we continue to work toward the establishment of a permanent university leader, it is evident that we are on the right path.

I want to take this opportunity to thank everyone who has been a part of this journey. Your dedication and commitment to LSU have not gone unnoticed. We are grateful for the support of our students, faculty, staff, alumni, and community members who have helped us through this transition period.

As we move forward, we remain focused on providing the best possible education and support system for our students. We are committed to creating an environment where every student feels valued and supported. We are committed to creating an environment where every student feels valued and supported.

I hope that you will continue to follow us on social media and other channels for updates and information about what is happening on campus.

Sincerely,

Andrea Wade
LSU President
